

WELCOME TO CAMP ATARI OLD WEST! We want you to have the best summer of your life at our unique Camp. You are going to have the finest computer instruction and play on our great facilities. You will also be able to participate in sports, swim in our pool, and have great evenings here at Camp.

Because we will all be living together in dormitories, to get the most out of our vacation, we have to have rules to live by. There are really two categories of rules at our Camp. The first are rules your parents would expect us to enforce because We "The Staff are really your "Parents" while you are here. The second set of rules are special ones because you are living in a dormitory. The rules are really just common sense.

CAMP RULES

1. All Campers must report to all meals, programmed instruction and evening activities.
2. All Campers will follow their scheduled programs.
3. Do not leave Camp without Counselor Supervision.
4. Keep your room clean and orderly at all times. Why not live in pleasant surroundings?
5. Most evenings you will be required to go to your room at 10 p.m. We have night Patrol Counselors for your safety and supervision.
6. Shut off all lights when you leave your room.
7. Report all property damage immediately to the Directors. You will be given consideration if it is reported at once.
8. Use of Marijuana, pills (without doctor's prescription), alcoholic beverages--no matter where obtained--will be grounds for expulsion. You will also be sent home if you're found in a Co-ed's room.

The following No-No's are for your safety and our sanity.....

- a. Running indoors - You can hurt yourself.
- b. Littering - Please help us keep the Camp neat at all times.
- c. Wear shoes indoors - Bare feet collect splinters, stubbed toes are painful--and always have your shoes and shirts on in the Dining room.

- d. When drying your bathing suit or clothes, please use your shower rod. Do not use your lamp shade or light fixtures--they are highly perishable. If you ruin them, your parents will have to replace them.
 - e. Gambling or borrowing money can get you into trouble, so don't do it.
 - f. We're in the country. If you don't want bugs in your room, don't keep food, candy, or anything sweet in your room.
 - g. We expect our girls to behave like ladies and our boys like gentlemen. Please conduct yourself accordingly.
 - h. Never bang on bedroom doors or attempt to force open any door.
 - i. Beds and dressers should not be removed.
 - j. Do not expose yourself to the sun's rays for extended periods.
9. Infirmary:
We have a live-in resident Nurse. She will always be there after meals but is available at all other times for emergencies.
10. Fire Drills:
There will be fire & earthquake drills and you will be informed about the procedure.
11. Laundry:
You will do your laundry with your group at scheduled times.
